William Jones stated to the commissioners that a horse belonging to him fell into an open ditch along the county highway and was killed at Eden some time ago. He wanted pay for the animal. The matter was referred to Chairman Madson and County Attorney Jenson.

Thurmal Carlson and soven others.

Thurmal Carlson and seven others Riverdale petitioned the commisoners to permit them to tap the pipe sioners to permit them to tap the pipe line carrying water for the sprinkling system along the county road to Riverdale and use the water for culf-nary purposes after sprinkling hours. The clerk was advised to inform the petitioners that the petition could not be acted upon until the water to be turned into the pipe line has been measured,

WRIGHT.

A farewell party was given Fri day evening at the home of Mr. and Mrs. E. H. Wright, 1935 Grant ave nue in honor of their son, Elder Ern-est J. Wright, who will depart Wed-

nesday for foreign mission fields. The early party of the evening was obleasantly passed with singing, reciting and speech-making, after which the tables were spread and the guests

partook of a sumptuous repast.

Those present at the party were
Mr. and Mrs. Brigham Wright, Mr. Mr. and Mrs. Brigham Wright, Mr. and Mrs. Julius Wright, Mrs. B. F. Wright, Mrs. T. M. Evans, Mrs. Wright Evans, Misses Eunice and Esta Ensign, all of Brigham City and Mr. and Mrs. Reuben M. Wright, Mr. and Mrs. Mark A. Child, Mr. and Mrs. E. H. Wright, Mr. and Mrs. E. V. Wright, Lots W. Triba. Lois N. Tribe, Eva Child, Stella Wright, Leonard, Clarence and Ernest Stella Wright and L. D. Olsen, all of Ogden, and J. Wright, of Salmon City, Idaho.

On Saturday evening Mr. and Mrs Wright were again surprised at their home by about forty of their local relatives and friends who called for a final evening with the departing missionary. The hours were pleasant-ly spent in playing congenial games and several vocal and instrumental

selections were rendered by several of the young ladies present. At a late hour the guests gathered around the banquet table and enjoyed a delicious luncheon, ofter which they leparted for their homes, unanimon the decision that Mr. and M Wright had proved themselves ideal hosts.

PARCEL SHOWER.

At the home of T. W. Bitton, 2657 Monroe avenue, Saturday evening the young ladies of Queen Esther Chapter No. 4, Order of the Eastern Star, entertained with a parcel shower for Miss Anna B. Wians.

Those present in addition to the guest of honor were Misses Martha Anderson, Cora Vicks, Edna Middleton, Edna Hamill, Mabel Rouse, Panle Anderson, Lula Sharp, Mr. K. Garrison and Mrs. Kate B. Smithers.

RECEPTION WEDNESDAY.

A reception to Rev. F. V. Fisher, new pastor of the First Methodist church, and family will be given in the church parlors on Wednesday evening from 8 to 10 o'clock. The ladies of the church extend a cordial in-vitation to all and have planned a most plesant evening. The church parlors have been newly papered and will be made specially attractive for the first social affair to be given in them this season.

SCOTCH HALLOWE'EN.

A genuine Scotch Hallowe'en party will be given tonight in Union Labor hall, when the Caledonians will entertain. A musical program, which will include popular songs, old and new, and the songs dear to the heart of every true Scot, will be given, and a grand feast will be served by the ladies that will include many Scotch delicacies and old-fashloned dishes for which the old-time cooks were fawhich the old-time cooks ,were fa-

MOLL-PITMAN.

THE U. S. . 0 Capetown, Union of South O JAVA'S FLYING TREE FROG.

In Java and some other places is a emarkable flying tree frog, with a reen hank of the Union of South Africa, on the Union of Sout

this afternoon, circled the Statue of Liberty in aeroplanes swept back through the upper air without a mishap and alighted, chilled, but exultant.

John B. Moisant, flying for America, covered the estimated 36 mile ute was in the air in a Bleriot of 56-horsepower with no preliminary skirmishing. Once past the starting pylon, the Englishman was off on his journey and, figuratively speaking, at the heels of De Lesseps.

Grahame-White's machine appeared to be the faster of the two.

Passing the grandstand at an all shall demand that the morrow. He won today, he contended, and even if the rules leave the contended, and even if the rules leave the contented of the rules of any aviator during certain hours of any day of the meet, he holds that he has eliminated his rivals of today.

"If they let Grahame-White have another chance," declared Moisant, "I shall demand that the morrow. He won today, he contended, and even if the rules leave the contented of the rules of the starting pylon, the Englishman was off on his journey and, figuratively speaking, at the helps of De Lesseps.

Grahame-White's machine appeared to be the faster of the two.

Passing the grandstand at an all shall demand that the contented of the rules leave the contended, and even if the rules leave the contended.

Grahame-White of England, was second in 35:21.30 and Count de Lesseps of France, was third in 41:56.25.

he contestants can start any time beween 2:45 p, m, and 3:30 p. m." any day of the international aviation meet m." any Under this interpretation Moisant, al-

Moisant used a 50-horsepower Bler-iot purchased from the Frenchman to-day for \$10,000. He had previously smashed his own monoplane. He did not start until 4:06 p. m., after both De Lesseps and Grahame-White had finished. De Lesseps started at 3:08 and Grahame-White less than a min-ute later. The written rules prescrib-ed that no contestant should start af-

Passing the grandstand at an ele-vation of about 1,000 feet, both aviators headed above the railroad tracks which took them over Jamaica Plain, and across the town of Jamaica. Here None, however, wins the \$10,000 they were sailing at an elevation of about 3,000 feet, with the Englishman still chasing the Frenchman man still chasing the Frenchman, about a half mile astern. Over Ja-maica still following the railroad as a guide, De Lesseps and Grahame-White held their course into Brooklyn. The though he protested, must await the aviators kept up their express train speed despite the biting cold. Gra-row. He is at liberty to better his hame-White was still gaining on De De Lesseps but the Frenchman was first out across New York bay and around the Statue, about 1, above the big black balloon that had showed him the course. The crowds along the Battery shouted and waved hands and handkerchiefs.

Circles Head of Miss Liberty.

Then Grahame-White sent the nose f his Bleriot around above the head of his Bieriot around above the beau of Miss Liberty and started back along the same course he had traveled. | FOUR-ROOM house, closets, summer kitchen lights and water, on Adams

ings. It feeds at night on insects, his machine, which was fast falling and when disturbed leaps out of the behind. Both men continued to fly above the railroad track. s though they feared to lose its guid

ng glimmer of steel rails. Passing back over Jamaica, Gra name-White had a lead of about two

Pausing at the aviation field, the tree toad, must act like suckers to Englishman started his descent from hold the animal fillmly in place a height of 3,000 feet. He came down in a graceful swoop over the tops of the great trees, with the nose of his machine pointed downward at an angle of 40 degrees. As Grahame-White had done, De Lesseps came down from level of 3,000 feet

Moisant Had a Little Trouble. Moisant was tuning up his newly bought Bleriot preparatory to mak-ing a start. At first its motors did not sing true, but finally they be-came altuned and he was off over the grand-stand

Fifty miles an hour was the speed spectators reckoned he was making against the cold wind which was blow-ing about 10 miles an hour. He crossed Brooklyn at an altitude of 2,000 feet. To those who had seen Grahame-White and the Frenchman, it did not appear that Molsant's machine was as steady as theirs. Now and then it seemed to dip or swing from one side to the other. If Moisant was having trouble he did not show

it, for he kept winging ahead with never a letup in speed. Reaching the East river, Moisant swept across to the New York shore and passed almost above the Battery. Then describing a pretty half-circle, he dashed out across the bay and around the statue. Above the mas-sive figure he seemed to stop momentarily, then shot ahead for the return to the aeradrome. Like the two rlvals who had preceded him, Moisant had the wind at his back and sped

across Brooklyn at a mile a minute clip. Follows Rallroad Tracks, Once he deviated from his course and followed the elevated railroad structure, but finding himself going wrong, he turned again towards the tracks of the Long Island railroad

and followed them back to Belmout Park. Moisant did not fly at the high alt! tudes of Grahame-White and De Les-seps. Probably 2,000 feet was his average, but often he was below that. Certain, he was not much above 1,500 feet when he reached the aero-He was numb with cold when drome. He was numb with cold when he alighted, but was as happy as a schoolboy when his time for the 36 miles showed that he had accomplished the feat at better time

aggregate than a mile a minute.

Moisant Makes Statement. Moisant said tonight: moisant said tonight:
"I started with a biting wind
against me. I climbed higher and
higher for by climbing two objects
were achieved. By slanting upward in going against the wind it was apparent that much of its deterring force was broken. The other reason was that I had made up my mind that to win I must travel directly over the city of Brooklyn and knowing there was danger in this, because of there was danger in this, because of the treacherous air currents created by a big settlement of buildings. The higher up I was the better I could escape these twisting currents. It is hard for people generally, perhaps, to understand that with us aviators the higher up we are, the safer we feel. If you start to fall near the ground you have little chance to save yourself. But from far above you have many chances of righting your

Moisant is indignant at the prospect of Grahame-White and DeLesseps being allowed to compete again morrow. He won today, he contended,

tended further so that I may have another chance. Grahame-White flying a 100-horseqower Blerlot The meet officially ended tonight and tomorrow's flights were supposed to be confined to the program of last Sunby which inclement weather prevent ed. No other flights should be allowed tomorrow and if there is, then I shall ask for a postponement of several weeks to allow me to get a 100-
